

Where can I download Unified Manager software?

https://kb.netapp.com/data-mgmt/AIQUM/AIQUM_Kbs/Where_can_I_download_Unified_Manager_soft...

Updated: Sun, 15 Mar 2026 15:37:05 GMT

Applies to

- Active IQ Unified Manager
- OnCommand Unified Manager

Answer

Recent versions of Unified Manager can be downloaded from the [NetApp Support Site](#) while older versions can be requested when multistep upgrades are required

Note: Create a **cold snapshot** of your virtual server on VMware or Hyper-V prior to starting the upgrade

[Unified Manager Versions](#)

[Where to download](#)

Active IQ Unified Manager 9.6 and later [AIQUM Downloads Page](#)

OnCommand Unified Manager 9.4 and 9.5 [OCUM Downloads Page](#)

OnCommand Unified Manager 7.3 and earlier [Request via CPC-00056](#)
