

How to troubleshoot mailbox disk errors

https://kb.netapp.com/Advice_and_Troubleshooting/Data_Storage_Software/ONTAP_OS/How_to_trou...

Updated: Tue, 27 Jul 2021 22:48:54 GMT

Applies to

- Clustered Data ONTAP 8
- Data ONTAP 8 7-Mode
- Data ONTAP 7 and earlier

Description

A High Availability partner fails to takeover after losing access to mailbox disks. How to tell which drives are used for cluster mailbox disks?
