

GRID network down on all HIC ports on StorageGRID Appliance installer/maintenance page

https://kb.netapp.com/hybrid/StorageGRID/Maintenance/HIC2_HIC4_Ports_Down_on_StorageGRID_N...

Updated: Sun, 05 Apr 2026 11:50:37 GMT

Applies to

- StorageGRID Appliances
- LACP Bonded Ports with VLAN Configuration

Issue

- Affected HIC ports are down
- Unable to begin the expansion process due to no grid network.
- Admin network remains unobstructed when set up
