

## Installation UI does not come up on new SG6100 compute node installation

[https://kb.netapp.com/hybrid/StorageGRID/Platforms/Installation\\_UI\\_does\\_not\\_come\\_up\\_on\\_new\\_SG...](https://kb.netapp.com/hybrid/StorageGRID/Platforms/Installation_UI_does_not_come_up_on_new_SG...)

Updated: Sun, 05 Apr 2026 09:45:05 GMT

### Applies to

NetApp StorageGRID SG6100 series

### Issue

- Install Web GUI does not load on compute node during new installation
- `No path connected` message displayed on affected nodes
