

How many disk failure can be tolerate during volume reconstruction in E-Series

https://kb.netapp.com/on-prem/E-Series/Hardware-KBs/How_many_disk_failure_can_be_tolerate_duri...

Updated: Sat, 04 Apr 2026 18:47:13 GMT

Applies to

- E-series
- Dynamic Disk Pools (DDP)

Answer

When volume reconstruction running due to single disk failure,an additional drive failure could be tolerated.
