

StorageGRID Syslog configuration fails with TLS

https://kb.netapp.com/hybrid/SGRID/Protocols/Protocols_KBs/StorageGRID_Syslog_configuration_fails...

Updated: Thu, 17 Sep 2026 07:08:13 GMT

Applies to

NetApp StorageGRID Syslog configuration with TLS

Issue

Switching from TCP to TLS configuration results in an error when running a test message:

`Forwarding Suspending / syslog records are no longer being forwarded to the syslog server and StorageGRID is unable to detect the reason.`

Error

Description and recommended actions

Forwarding suspended

Syslog records are no longer being forwarded to the syslog server and StorageGRID is unable to detect the reason.

- Review the debugging logs provided with this error to attempt to determine the root cause.
