

TRID-20579: Missing CHAP credentials on second portal after node/ONTAP upgrade

https://kb.netapp.com/Cloud/Astra/NetApp_Trident/Trident_Issues/TRID-20579

Updated: Fri, 18 Sep 2026 06:24:05 GMT

Issue

After the upgrade/replace of the worker node, or upgrade of ONTAP, the iSCSI sessions on the second portal loose their CHAP configuration
