

## OnCommand Insight displays incorrect 'Array Name' for EMC Clariion and VNX Block arrays

[https://kb.netapp.com/Advice\\_and\\_Troubleshooting/Data\\_Infrastructure\\_Management/OnCommand\\_S...](https://kb.netapp.com/Advice_and_Troubleshooting/Data_Infrastructure_Management/OnCommand_S...)

Updated: Mon, 02 Aug 2021 12:16:31 GMT

### Applies to

- OnCommand Insight 7.x
- OnCommand Insight (OCI)
- OnCommand DataWarehouse (DWH)

### Issue

- OnCommand Insight Server displays EMC Clariion and VNX Block Array names incorrectly within the Web User Interface.

- OnCommand Data WareHouse / IBM Cognos reports also display the EMC Clariion and VNX Block Array names incorrectly.
