Updated: Sun, 05 Apr 2026 15:37:15 GMT

Applies to

- Cloud Volumes ONTAP (CVO)
- NetApp Console Agent
- Microsoft Azure

Issue

- Working environments no longer show up in NetApp Console
- While discovering CVO the following error is seen:

```
Your credentials are not associated with any subscription. Please go to
Azure Portal and associate a subscription
```

or
No new cloud account selected to configure this subscription
